

Act now! Limited time rebates.

City Light is giving small business owners who purchase qualifying heat pumps and heat pump water heaters a boost!

MIDSTREAM HVAC AND WATER HEATING PROGRAM

Heat Pumps

(<5.4 tons)

Up to **\$5,000** off

Heat Pump Water Heaters

(<120 gallons)

Up to **\$1,750** off

Small Business Eligibility

Your business is eligible if you receive electric service from City Light, are located in an incorporated City, and have fewer than 50 employees when replacing existing equipment.

Rebate Limits

Total rebate cannot exceed the total installed cost.

Eligibility Window

Any equipment sold and installed on or after July 1, 2025 qualifies for this offer. These rebates will last until funds are exhausted.

Work with your contractor to make sure your project qualifies.
